## Public Transport Information within South Yorkshire:

Visit [travelsouthyorkshire.com](http://travelsouthyorkshire.com) - This website will give you many options, including access to Journey Planner.

**Journey Planner** - You can use the Journey Planner to plan a journey to and from any address within Yorkshire. You can also search for journeys between any two rail or coach stations nationwide.

**YourNextBus** - a real-time bus information service available through your mobile phone or through the internet and traditional timetables you can print off.

### **Ring Traveline (01709) 515151**

For the cost of a local rate call from anywhere in South Yorkshire, or your standard mobile network rate, you can talk to a trained Travel Assistant who will provide advice about your best public transport options.

### **Visit any South Yorkshire Travel Information Centre**

There are eight major sites across South Yorkshire, plus five at mini-interchanges, all open at least six days a week to provide you with the public transport information you need. To find the location most convenient for you visit [travelsouthyorkshire.com](http://travelsouthyorkshire.com)

**TRAM:** For more information visit [travelsouthyorkshire.com](http://travelsouthyorkshire.com) where you will find a link through to Supertram's own website

**TRAIN:** More details about these services and a link to the local train tracker website can be found by visiting [travelsouthyorkshire.com](http://travelsouthyorkshire.com)

## Travel Advice Business and Community

The Travel Advice section aims to provide people in South Yorkshire with information about all the travel options available to them. The team focuses on providing personalised, tailored advice to individuals, community groups, and public and private sector organisations within South Yorkshire.

For more information please visit the Travel South Yorkshire website ([travelsouthyorkshire.com](http://travelsouthyorkshire.com)) or call the Travel Advice team on 0114 221 2221.
